

LABORATORY SKILLS CHECKUP 1

Following Directions

1. Read all of the following directions before you do anything.
2. Print your name, last name first then your first name and middle initial (if you have one), at the top of this page.
3. Underline the word "read" in direction 1.
4. Circle the word "all" in direction 1.
5. In direction 2, draw a line through the word "middle."
6. In direction 3, place a checkmark in front of the word "direction."
7. Circle the numbers of the odd-numbered directions above.
8. In direction 7, cross out the word "odd" and write the word "even" above it.
9. Write "Anyone can follow directions" under your name at the top of this page.
10. In direction 9, add the following sentence after the word "page." "That's what you think!"
11. Draw a circle in the lower left-hand corner of this page.
12. Draw a square in the upper right-hand corner of this page.
13. Place a triangle in the center of the circle.
14. Place a dot in the center of the square.
15. Now that you have read all the directions as instructed in direction 1, follow directions 2 and 16 only.
16. Please do not give away what this test is about by saying anything or doing anything to alert your classmates. If you have reached this direction, make believe you are still writing. See how many of your classmates really know how to follow directions.
